

Strengthening Rights Training

What is Strengthening Rights?

Strengthening Rights training is practical, human rights training that uses realistic, everyday examples to learn about Disability Rights. St Michael's House have been delivering Strengthening Rights training to staff since June 2023 as part of the SMH Strengthening Disabilities Project.

Families, Carers & Supporter Training

We would now like to offer Strengthening Rights Training to families, carers and supporters who access St Michael's House services.

This training examines

Models of Disability | UN Convention Rights of People with Disabilities

Will and Preference | Rights Restrictions | Advocacy Skills | and much more....

Training Details
