

From Our House to Your House

CEO CHRISTMAS MESSAGE

As we get near the festive season I would like to take this opportunity to wish everyone a very happy Christmas.

2022 proved to be another difficult year.

We started the year with high COVID cases and then had to adjust to recruitment difficulties, an organisational Quality Improvement Plan and ongoing financial challenges. It never ceases to amaze me how dedicated all the staff are in St. Michael's house, and the exceptional steps taken to ensure service users, and their families, receive the best services possible. On behalf of the Board, and the EMT, I would like to thank you all.

I would also like to take the opportunity to thank all the service users and their families, our volunteers and supporters, for their ongoing partnership and resounding belief in St Michael's House.

As we move into 2023 we will focus our attention on the recently developed Strategic Plan 2022 – 2026 to try and address the issues and challenges identified by all of our stakeholders. Your participation in the development of the plan is very much appreciated.

Once again I would like to wish you, and yours, a healthy and enjoyable Christmas.
