

How to make cereal box bracelets

You will need

Empty cereal boxes

Elastic string

Clear glossy mod Podge

Gauge wire/chop sticks

Scissors

Method

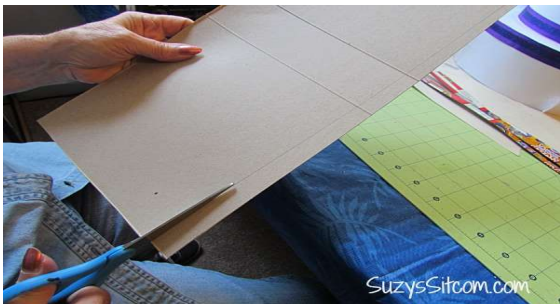

Open up the box

Cut off the top and bottom of the box

Using a ruler and a pencil to mark strips of cardboard to size

Cut the cereal box into strips

Wrap the bead around the gauge wire/chop stick and coil the cardboard around it.

About half way through remove wire/chop stick and keep wrapping. When you have finished wrapping the piece of cereal strip add some glue to the end of the strip and hold in place until it sticks.

When the beads have dried and add one or two coats of clear gloss on to them.

String the beads together to make a bracelet
