Children's Disability Network Teams Progressing Disability Services for Children & Young People

25 Augusts 2021

Dear Parent or Guardian,

I am writing to provide you with an update in relation to the reconfiguration of existing disability services into Children's Disability Network Teams (CDNTs) under the Progressing Disability programme.

I am delighted to let you know that a date for reconfiguration has been agreed and current Services will transfer to the new CDNT's on the **Monday 13th September 2021**.

During the last few months, Services have been working in the background to ensure a smooth transition for both families and staff into these new Teams.

At this time, if you are unsure of your CDNT or have any general enquiries in relation to your CDNT, please contact the HSE at fiona.berkery@hse.ie

Below are the address and contact details for the Manager of each team. They will be contact with you in the near future to welcome you to the team.

We wish to thank you for your ongoing support and patience.

Yours sincerely

Anna Meegan
General Manager
