

Activity Hub Chocolate Hats

Always follow FEDS guidelines and dietary advice

Ingredients:

200g bar milk chocolate
Bag of pink and white marshmallows
Smarties

Equipment:

Bowls
Spoons
Over glove
Plate or tray
Cupcake cases

Steps to completing task (use prompts required sheet, and write beside each step which level of prompts each service user requires; or use task analysis sheet)

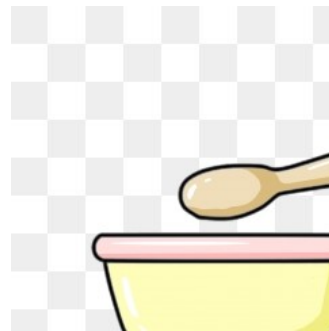

1. Wash hands
2. Gather all equipment and ingredients
3. Break 200g bar into pieces and place in microwave safe bowl
4. Place empty cupcake cases onto tray or plate
5. Put into microwave and heat in 10 second intervals until fully melted
6. Remove from microwave using oven glove
7. Use a spoon and pour one spoon of chocolate into cupcake case
8. Take a marshmallow and stick this into the chocolate case
9. Do this until all the chocolate is nearly gone
10. Take a smartie, dip into small amount of remaining chocolate, and then stick this on top of marshmallow
11. Do this until all marshmallows are covered
12. Leave to cool
