St. Michael's House depends on fundraising for many of its projects and programmes across the 170 centres. We are very grateful for any generous funding support to our services.

We do not wish to turn away funding to support our services but Staff and Service Users are priority at this time.

Please observe the following decisions;

- Internal or External Planned Fundraising Events in aid of St. Michael's House Units, programmes or projects MUST be cancelled or postponed during this uncertain time.
- Staff and/ or Service Users are not permitted to partake in any group gathering events to represent St. Michael's House for any funding presentations/ cheque presentations/ grants or otherwise
- Fundraising events which incorporate any form of group activity or lack of social distancing will NOT be acknowledged or advertised or supported by the St. Michael's House fundraising office.

St. Michael's House are so grateful to each and every donor , supporter and friend of our services. However, we cannot support any group gatherings in aid of our services during this unprecedented time.
