

HELPING DADDY IN THE GARDEN

Daddy asked me to help in the garden. So I put on my **wellies**

(Pair of wellies or boots to put on)

We walked into the garden. I could smell the **flowers**

(Flowers with scent to smell)

We dug a hole and put in a **tree**

(Twig to feel or a spade to dig)

I could hear the **birds singing** as we worked

(Sound of the birds singing - you can record this sound on your phone or whistle)

We stopped for a rest. Mammy brought us a **drink**

(Cup with a real drink or just pretend)

We finished and Daddy said well done and gave me a **hug**

(Give a hug)
