Creativity at home

Step 1: Lay your materials from your pack out on the table.

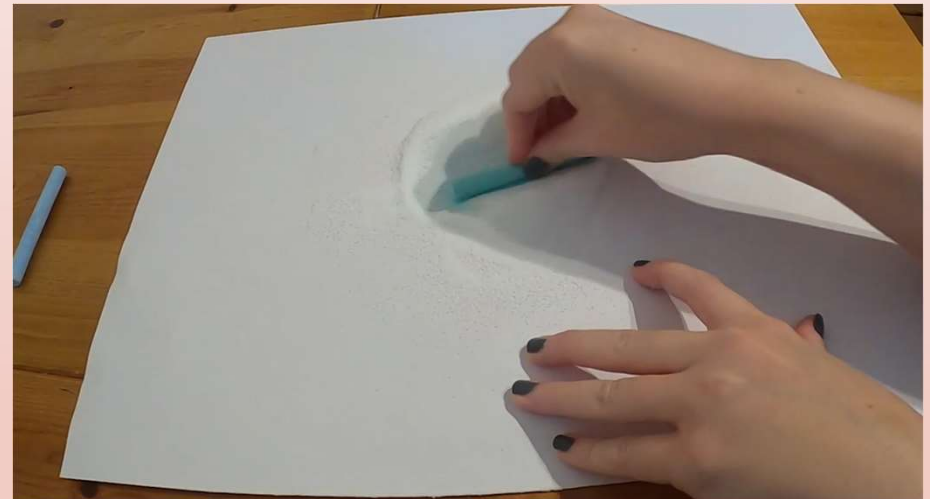

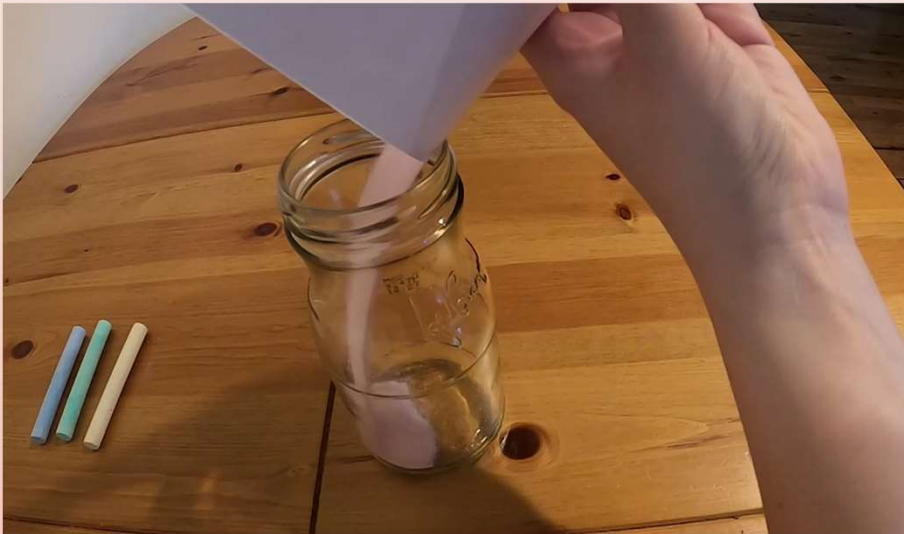

Step 2: Pour salt out on to the piece of paper.  
Step 3: Rub coloured chalk roughly over salt.

Step 4: Pour the salt into the jar.

Step 5: Choose your next colour and repeat the process.

Step 6: Add as many different colours as you like.

Step 7: Make sure to not over fill the jar.

Step 8: Close the lid tightly and find a nice home for it.

# HOORAY!!

Well done on making your decorative colourful sand jar. These make great decorations and you can make various jars with different colours. These look great inside or outside on a table.
