

Keep My Teeth Family Webinar

The Keep My Teeth team would like to invite family members of people supported by St Michael's House services to join us in a live online webinar on supporting good oral health and daily mouthcare

This webinar will provide practical guidance on:

- Why oral health is important
- Effective toothbrushing techniques
- Supporting daily mouthcare

There will also be a live Q&A session, giving you the opportunity to ask questions and get advice from the team

Please note: The webinar will be recorded and circulated to registered attendees

This webinar will be followed up by an in-person practical evening session, register below to learn more
