

MY PRINCESS PARTY

By Siobhan McDermott & Louise Moran

Today is my Princess **birthday Party**

(Blow the party Blowers)

I am wearing my beautiful **princess dress**

(Let your child feel the fabric on a fancy dress)

Let's open **my presents**

(Help your child feel present)

I like my **princess wand** the best

(Give your child the wand to hold and help her wave it about)

Everybody **sings** happy birthday to me

(Sing or play recording of 'Happy Birthday to you' on your phone)

I blow out the **candles** on my cake

*(Let your child feel the candles on the cake) **not lighting** of course!*

Yummy! My **cake** tastes good

(If your child is allowed to taste some foods, then give her something she is allowed, if not let her smell something instead)

I love my princess party **hurrah!**

(Help your child to raise their hands up in the air)
