

# St. Michael's House

# Supported Employment Project

## Can you support young adults with disabilities?

St Michael's House Supported Employment Project is a Pobal funded initiative supporting young adults with disabilities across SMH to **Prepare, Train & Gain** meaningful employment.

The project also includes a focus on staff training

## About the Project —→

- Support people with disabilities to access employment
- Improve career progression opportunities for people with disabilities
- Support employers to provide employment for people with disabilities

## To find out more about this exciting opportunity
