

St Michael's House Safe Visiting

This letter is about visitors and meeting other people.

The boss of Ireland says there are new rules about visiting.

The new rules started on Friday 18th September.

People are not allowed to visit your home.

Only St Michael's House staff can come into your house.

St Michael's House Safe Visiting

You cannot meet your family or friends outside.

You cannot visit your family home.

The government will tell us when we can have visitors and meet people again.

You can talk to staff about how you feel.

St Michael's House will keep you up to date with any changes.
