Gather Equipment:

A newspaper or plastic sheet to protect your workspace.
A cup of water for rinsing brushes.
A palette or plate for mixing colors.
Soft cloth for cleaning stones.
Soap and water.

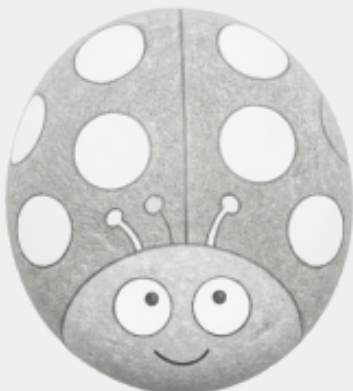

Step 1.

Collect smooth, flat stones from your garden.

Step 2.

Wash the stones with soap and water. Let them dry completely.

Step 3.

Sketch your design lightly with a pencil on the stone (flowers, ladybugs, words, patterns)

Have Fun

Step 4.

Paint your base colors first. Let each layer dry for 10-15 minutes.

Step 5.

Add details, patterns, or decorative elements to your design.

Step 6.

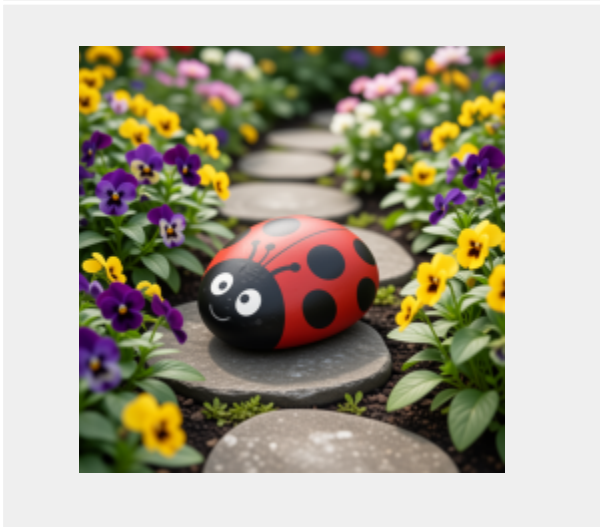

Let the paint dry completely (1-2 hours depending on thickness).

Have Fun

Step 8.

Apply sealer spray and allow to dry for an hour.

Step 9.

Add your stones to your garden flowerbeds or path!
