

The St. Michael's House Scholarship 2022 – Terms and Conditions

THE BACKGROUND TO THE SMH SCHOLARSHIP

Disability Services in Ireland

Background St. Michael's House

St. Michael's House (SMH), which started with one facility in 1955, now provides services and supports to people with disabilities and their families and/or supporters in the Dublin area. Currently we support 2026 people (2021 figure) including c900 children and this has an impact on thousands of family members. The services we provide include residential homes in community settings and independent supported living, day services, respite services, training and education services including six special national schools and clinical/therapeutic supports.

We employ c1,900 staff across a wide range of roles and grades including direct support workers, social care workers and leaders, persons-in-charge, nurses, doctors, managers, clinical staff, administration, IT, transport and maintenance. We are funded by the HSE, Tusla and the Department of Education. In 2021 our HSE allocation was over €100m and while we are a large and complex organisation we continually strive to work by listening to what people want and need and operating in a person-centred way.

The SMH Scholarship

The SMH Scholarship aims to support the expansion of the knowledgebase of children and adult disability services and is a major new initiative as part of SMH's research ambition. The foundation of our 2022 strategy is a rights based approach to service delivery for service users and planning for the duration of the lifecycle with a particular focus on key transition points. The focus of research outlined by the successful candidate should align closely with this foundation, and with the SMH Vision, Mission and Values as outlined below:

Vision: A society in which people of every ability can live the life of their choosing.

Mission: SMH works with Services Users (or people with disabilities) to understand their needs and wishes and help them achieve their goals - *"Your Life, Your Rights, Your Choices"*.

Values: Respect, Kindness, Honesty, Excellence, Creativity
