

Zoom Rules

Zoom is a great way to stay connected and participate in classes on the Activity Hub.

It's important to have rules so everyone can have fun and be safe.

Have your video on and make sure the host can see you clearly.

Avoid talking over others when someone is speaking.

Zoom Rules

Be a good listener and respect others.

Remember it's a space for everyone we like to take turns talking about the topic.

Mute your microphone when you're not speaking.

Raise your hand if you would like to say something.

Zoom Rules

Be on time for each zoom.

Ask for help if you have a problem.

**If you have a complaint
