

# St. Michael's House Special National Schools Board of Management Chairpersons

## Role of Chairperson

St. Michael's House Group are seeking applications from suitably qualified individuals for roles as Voluntary Chairpersons to the Board of Management in four of their Special National Schools located in the greater Dublin area.

St. Michael's House is one of the largest providers of supports and services to children and adults with disabilities in Dublin. The organisation is multi-denominational and this is reflected in the ethos of our schools.

## Ideal Candidate

The ideal candidate will have

- excellent communication and collaborative skills,
- will build strong relationships and
- be an effective leader who will develop and support teams to achieve the long-term objectives of the school.
- Previous experience of Primary School Boards of Management and/or the Education Sector would be helpful.
- General management/HR experience or legal expertise would be an advantage.

St. Michael's House offers support and training to successful candidates.

This is a very good opportunity to 'make a difference' in supporting the achievement of good educational and development outcomes for children with disabilities.
