

## What is Coronavirus?

	<p>Coronavirus is a virus.</p>
	<p>A virus can make you sick.</p>
	<p>A virus is very small. You can't see a virus.</p>
	<p>A virus can live on your hands and in your nose and mouth and eyes.</p>

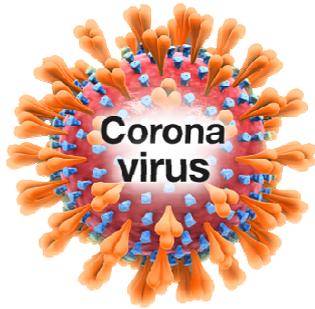

A virus can pass from person to person.

It is important to wash your hands.

We need to stay 2 metres away from people.

People who have coronavirus will:

Have a cough.

Have a temperature.

Find it hard to breathe.

Tell someone if you are feeling sick.
