

St Michael's House is making a plan

The Plan is for 5 years

Its called the Strategic Plan

We are asking you what you think about St Michael's House and what you want in the future.

We will also ask families, staff and managers what they think.

St Michael's House is Making a Plan

St. Michael's House is making this plan for 4 reasons.

1. To improve the service each person receives

2. To ask the government for more money for services

3. To plan for new homes and day services for Service Users

4. To plan for services for children

St Michael's House is Making a Plan

Your Head of Unit, PIC, staff member or keyworker will meet with you to ask you questions – this is called a consultation.

The information you give will go into the Strategic Plan

At the end we will come back and tell you how what you said was used in the plan.
