

# Washing the Dog

By Clare Hill, Nicolle D'arcy, and Laura

Daddy was **chasing** Rufus up the stairs, because he really needed a wash.

(Mime a running action)

By the time Daddy caught him he was **breathless**

(Prop: make a panting noise)

We washed Rufus with **soap & water** in the bath

(Prop: bowl of water with soap)

Rufus shook his body, Daddy got **soaked**. It was **funny**

(Prop: water spray)

We dried him off with a **towel**

(Prop: mini towel)

Rufus ran out to the garden **barking** at the birds

(Prop: recording of barking, birds singing)

Five minutes later Rufus was rolling in **muck** **AGAIN!**

(Prop: picture of mucky dog)

OH RUFUS you dirty
